The banner text continues: 'On VIEWPOINT ACADEMY you will find quick tips to improve your workflows, learning plans that guide you through role-based training programs, live instructor-led courses, and certification programs designed to make you the expert your company needs.' Below the banner are three main content cards: 'Learning Plans' (Guided Role-Based Learning), 'Get Certified' (Product Certifications), and 'Virtual Classroom Training' (Live Instructor-led Classes). Each card has a 'SELECT YOUR ROLE' or 'GET STARTED' or 'SEE SCHEDULE' button. Below these cards is a 'Viewpoint Catalog - All Courses' section, which lists various courses with details like 'YEAR END TRAINING', 'Vista', 'Team', and 'Spectrum'. The 'Viewpoint Quick Tips' section at the bottom features a series of video thumbnails with titles like 'New AP Retainage Release for Vista', 'Navigating the Payroll Protection Program', and 'Vista FFCRA Configuration Webinar'.
